From the Head Professional

Welcome to our March Newsletter where we recap all of the golf happenings for the Month.

I would like to make a special mention to Assistant professional Levi Burns for his efforts running the tri-club Junior event in the School Holidays. This event

February Recap

While February may be the shortest month it is far from the quietest with many golfers preparing to brave the heat for that chance of glory.

We kick started February with The Annual Sidchrome Ambrose after being postponed from December. Although it was very hot weather it was significantly better than the storm in December. The Sidchrome Ambrose is unique in that it takes team handicaps and splits the field into 2 grades allowing for a more equal competition.

And the scores reflected the weather very hot:

A Grade - T Vonarx, W Hornsey, L Bedford (3.3) 55.7

B Grade - C Cottam, R Laycock, B Whitechurch (8.3) 59.7

As always the event was hugely successful with 138 players on the day and none of it could have been possible without the support from Country Member Norm Baker for his sponsorship and organization of the event.

saw Junior golfers from Corowa, Howlong, and Thurgoona play on all three courses over a three week period. Brilliant work.

Enjoy the read, get involved in some of the up-coming events and well done to all of those who won in February.

February Monthly Medals were won by:
Ladies - Selina Barkley 71 nett
Men - David Robb 69 nett.

February also played host to the Composite course day with Andrew Love taking home the chocolates and a new course record of 1 under par 71.

64 players help raise funds in our Cancer Council Charity Day with course superintendent Trent Vonarx and his team winning the day (Again).

The 27 hole Corowa Cup was contested and won by:

Ladies - Marg Tobin 128
Men - Nathan Scheinder 104

The 9 Hole Pitch & Putt was played with 3 men's and 1 ladies grade with the Winners of Andrew Love, Shaun Whitechurch, Wayne Miller and Marj Dykes.

But more importantly our Professionals challenged one another with LEVI having bragging rights until March 27th when we host our second pitch and putt tournament, which we hope to see everyone at.

Golfer of the Month

We have left this Month spare but each Month we will pick a Golfer of the Month for outstanding performances. Could it be you???

CREDIT BOX

Remember that all vouchers held in the Credit Box are now subject to a six month limit from date of issue. The balance at 1/10/17 was given a six month period so now there is one month to go. Any winnings since then will have six months from date of issue.

What's New in the Pro Shop?

New Wilson Duo Soft Golf Balls, they come in a range of colours and matte finishes as well as standard white. "The world's softest distance ball."

- 5th Neil Caulfield (18) 39pts.

Tuesday 27-2-18

- 1st Gary Clinch (10) 39pts.
- 2nd Robert Porter (18) 38pts.

Junior News

This area is always to keep you informed of all Junior results, clinics or upcoming events.

Whilst February was a quite month for our juniors as we wait for the weather to cool down we can reflect on our amazing school holiday program.

We had over 27 juniors from Howlong, Thurgoona, Wodonga and of Course Corowa competed at 3 different courses over 3 different Mondays it was amazing to have so many juniors get out on different course and experience competitive play.

Tips from the Professionals

Playing from the Trees.

It's unfortunate but we all hit it in the trees, some more than others (ROB) but that doesn't mean we can't recover.

Our best tips for getting out are:

1. Pick the biggest gap in the trees this give you the best chance of making it back out.
2. Grip down on the club for more control.

3. Aim for the middle of the fairway, getting it back in play allows for our best chance of scoring.
4. Keep it low by selecting a club with less loft.
5. Don't try hit it hard or you risk making it worse.

Having trouble with any part of your game? We are available 7 days a week for lesson's so you have 'No excuse not to get Better'

Another Amazing Experience was Junior Member Oliver Nelson Birthday party that incorporated a Junior Clinic. It was great to be a part of something so fun and Oliver and his friends had an Amazing Day.

MyGolf starting Wednesday 7th of March. 5-12year olds beginner golf clinics
